

As the 2013-2014 school year begins, I would like to welcome you to the Vineland K-8 Center family. Our PTA is always looking for passionate, committed individuals to become involved and make a difference in our school and children's lives and education. Each year we continue to improve and enhance the educational environment for our Vineland students.

One of my goals this year is to see all of our wonderful Vineland K-8 families become an integral part of our school by getting involved in our PTA. We can all make a difference, whether we work full time, part time or are a stay at home parents. It could be as simple as volunteering an hour at one of our events or making copies of flyers. You can even help with giving feedback on events and programs. We have some amazing programs and events scheduled for the upcoming year. Our Fall events include: the BookFair, Social/Family Night and our Annual Fall Festival. With your help we can make them a success. Help us show our Vineland PRIDE.

We encourage you to sign up for the Vineland weekly EBLAST. This email will provide information for the upcoming school week as well as providing valuable information/ instructions about our easy ongoing fundraisers. (Boxtops, Target, Office Max and soon to be promoted Shoparoo App)
